- Fruit Mix 6/24 oz. – UPC 8.26766-23605
- Fruit Platter 3-4 lb. – UPC 8.26766-26730

Pre-packaged mixed fruit products with SELL BY date of 3-22-08:

- Melon Mix 6/24 oz - (UPC 8.26766-21412)
- Melon Mix 6/12 oz - (UPC 8.26766-24410)
- Cantaloupe-Honeydew 6/12 oz (UPC 8.26766-20500)
- Cantaloupe-Honeydew 6/24 oz (UPC 8.26766-20505)

Save Mart, S-Mart Foods, Lucky, and FoodMaxx customers can return the products to the stores for a full refund. Consumers can contact Renaissance Food Group toll-free at 1-888-499-9386 with any questions regarding the FDA alert and Garden Highway cut fruits and vegetables.

These products may contain fresh, cut cantaloupe from Honduran grower and packer Agropecuaria Montelibano included in a recall initiated by the FDA on Saturday, March 22, 2008. The cantaloupe appears to be associated with a Salmonella Litchfield outbreak in the U.S. and Canada.

Fresh, whole cantaloupes at Save Mart, S-Mart Foods, Lucky, and FoodMaxx stores were not impacted by the original FDA recall.
